Subject: FYI: L.A. Care Cross-Sector Partnerships Grant Opportunity, due March 31 (for Community Clinics & their Social Service Partners)

Hello all,

It has been a pleasure to work with you on various projects to benefit homeless populations over the last year, including the Blue Shield Homeless Health Neighborhoods Joint Planning Collaborative and the CSH 10th Decile Project. I wanted to let you know about a grant opportunity through L.A. Care: the first Cross-Sector Partnerships grant program will provide support to community clinics and their social service partners to provide non-clinical services that address social determinants of health for low-income populations. More info is below, or at this link: <http://www.lacare.org/about-us/community-outreach/grantmaking>

If your organization is a community clinic or would like to partner with one for this opportunity, we would welcome your proposals. Please also feel free to circulate this information to your local collaborative planning tables/listerves.

I apologize for informing you of the opportunity after the informational calls, but if you have any questions, please feel free to reach out to Tony Casillas (contact info below) or myself to connect with our Community Benefits staff.

Best wishes,

Alison

Subject: Reminder - Cross-Sector Partnerships Initiative - applications due March 31

Dear Community Clinics:

L.A. Care Health Plan is offering funds through the first Cross-Sector Partnerships Initiative to provide resources to projects that best integrate physical health (medical, mental health, substance use disorder) and non-clinical social services support that impact the quality of care and quality of life for low-income patients. The proposed projects will help address the underlying social determinants of health and equity and emphasize clinical and community support partnerships.

The total allocation for the first Cross-Sector Partnerships Initiative is \$1,000,000 and the maximum award is \$150,000 per organization for projects of up to 24 months. At least 40% of the granted award must be sub-contracted with the clinic's social services partner.

Applicants must meet the following minimum requirements:

- Must currently participate in L.A. Care's provider network.
- Be a stand-alone clinic, and either a licensed free clinic, Federally Qualified Health Center (FQHC) or FQHC Look-Alike that provides comprehensive primary care services.
- Have a current 501 (c) (3) non-profit status.
- Primarily serve Los Angeles County's low-income and uninsured adults, including those without ability to pay who qualify for free or low-cost health care programs.
- Serve a minimum of L.A. Care Health Plan's aggregate membership of 1,500 at the time of submission. This aggregate membership includes contracted L.A. Care Health Plan partners.
- Attest that the community services partner is financially sound.

To assist prospective applicants, L.A. Care will hold two informational calls. There is no maximum number of staff per clinic, or social services partner who can participate. You may also attend either or both calls.

- Thursday, February 11, 2016 at 2:00 p.m.

Call in number: [\(855\) 846-1604](tel:(855)846-1604) Access Code: 994 844 333

- Friday, February 12, 2016 at 10:00 am

Call in number: [\(855\) 846-1604](tel:(855)846-1604) Access Code: 991 483 351

Please RSVP no later than Wednesday, February 10, 2016 by 4:00 p.m. by contacting Tony Casillas, Management Associate at tcasillas@lacare.org.

ALL prospective applicants are strongly encouraged to participate in these calls.

Please review all of the attached documents and have your questions ready before the call.

The full application plus attachments are due no later than Thursday, March 31, 2016 at 2:00 p.m.
